### Klingspor abrasive sheets PS 11 C for varnish, paint, filler and plastic

Whether used on the fenders or the bonnet of a car or on the front door and garden gate at home – the **abrasive sheets PS 11 C** by Klingspor deliver the same exceptional performance during various sanding jobs before and after filling, painting or varnishing. Supported on a paper backing (C-paper), the sheets with paper backing (C-paper) are suitable for a wide range of tasks - including **wet and dry** sanding. Application options include use on

- paint,
- varnish,
- filler and
- plastic.

### Abrasive sheets for car repair

Use during **car repair** is one of the most popular applications of the **abrasive sheets PS 11 C**. The abrasive paper is an equally fine choice for repair work on **paint and varnish** and for removing residue left behind by working with filler. Sanding the plastic parts of cars is also a breeze thanks to the product's fine grit size.

### Ultra flexible, yet exceedingly stable

The **abrasive sheets** are made with **silicon carbide**, which provides for supremely aggressive abrasive performance. Another attribute that sets the **PS 11 C** apart is their outstanding flexibility. Whether used for **dry or wet** sanding, the abrasive sheets with paper backing (C-paper) by Klingspor have won over craftsmen, painters and do-it-yourselfers across the globe.

### PS 11 C for a perfect hand sanding finish

Their elastic paper backing (C-paper) makes the **abrasive sheets** ideally suited for **wet and dry** sanding by hand. They are also an outstanding option for work on fine details or minor repair work on **paint and varnish**.

### Versatility thanks to an extensive range of applications

The **PS 11 C abrasive sheets** by Klingspor offer the exceptional versatility required to cover a wide field of applications. The **silicon carbide** guarantees a great level of stability. Whether you are working on varnish, plastic or filler – the Klingspor **abrasive sheets PS 11 C** are the solution to your sanding and varnishing needs.
