

Strap cutter - Aluminium handle

Part #20501

Description

The Wichard strap cutter has been developed for emergency situations. Its stainless steel (1.4028) double blade offers a terrific effectiveness. Made of aluminum, it is light and resistant to corrosion. Its ergonomic handle makes the manipulation easier (even with gloves).

Blades can be removed and changed; inside the handle, there is a compartment to stock a pair of spare blades.

Available in red for a better visibility.

Length: 190 mm

Applications

Safety

Technical information

Materials	Handle: aluminium Blade: stainless steel
