## "AQUAGO EASY" AUTO EXTENSIBLE HOSE KIT

Self-extending hose kit for watering plants and flowers and cleaning external surfaces. Ideal for gardens, terraces or balconies. Practical, light and easy to use, thanks to the hose that stretches by itself with the pressure of the water. After use, the emptied tube retracts and compacts in a small space.

Lightweight and easy to handle, thanks to its structure it is also anti-crease, anti-torsion and flexible even at low temperatures. In case of breakage or puncture, it is possible to cut and connect again. The kit is complete with:

- self-extending hose up to 15 or 30 meters
- ergonomic mini lance or 8-jet ergonomic lance
- snap-on hose connectors
- 3/4 "tap connector
